## 企业简介

Company profile

Zhongshan Meiyun Lighting Co., Ltd. was established in 2010, covering an area of 8,000 square meters, located in Xiaolan Town, Zhongshan City, Guangdong Province, 10 minutes away from the lighting capital Guzhen town. We are a professional manufacturer engaged in the research and development, production, sales, and service of modern indoor decorative lighting. Our company has passed the ISO9001 management system, BSCI audit, awarded High-Tech and Credit worthy Enterprise.

Meiyun Lighting has owned polishing, electroplating, and painting workshops, as well as stamping, spinning, cutting, die-casting, LED assembly, and handmade glass workshops. The production capacity is 200,000 pieces monthly. Meiyun lighting strictly controls product quality, reduces material purchase costs, and delivery on time.

Our main products are chandelier, pendant lamp, ceiling lamp, wall lamp, table lamp, floor lamp, LED lamp, customized lamp, etc.

Our products comply with international quality standards, such as CE, ROHS, REACH, ETL, SAA, GS, CB, ERP, CCC certificates.

All products are 100% inspection, with testing equipment including Spectrum tester, salt spray testing, high-voltage testing, high-voltage insulation resistance tester, tensile testing, angle testing, drop testing, etc.

They are mainly used for home, office, shopping mall, hotel, villa, resort, etc. Our products are well sold in over 100 countries and have won reliable and appreciation from many customers.
